Re : Exceptional/Extenuating Circumstance(s) upon  
Case No. RDB-08-56

I am writing because I received a heartbreaking letter from Edna Booze, my grandmother. For this letter; please find the need to take appropriate action to grant relief for these very 'EXCEPTIONAL/EXTENUATING CIRCUMSTANCE(S)' upon Case No. RDB-08-56.

You will find enclosed a copy of the letter I received, today, 4-5-21. I would like to add this to the motion on file with your court for home confinement, pending appeal. I am writing this letter/action in hopes (with good faith) that you will see a 90 year old woman, who is struggling and suffering, ALONE, and she is scared. I wish to help her.

Judge, Bennett; I am sitting in prison for a murder I did not commit. Because corrupt cop (now, PRISONER) Wayne Earl Jenkins testified that I was the killer without presenting a single piece of evidence, this is my fate. No-one else testified that I was the person who killed Mr. Larry Haynes. Cheryl Rookstool, Joseph Parham and Connie Mays all government witnesses and none of them testified that I was the Killer. Ms. Rookstool, who actually witnessed the Haynes murder, testified that I was NOT the person she saw shoot and kill Mr. Haynes. The government used Mr. Haynes murder as motive for the murder of Carl Stanely Lackl Jr., which I did not order the death of Mr. Lackl. The government's witness for the Lackl murder was Marcus Pearson, who has since spoke with Baltimore Sun's Reporter, Justin Fenton, Sept., 2020 and said that he lied that he never spoke with me about killing Mr. Lackl and that he didn't speak to me on a cellphone.

Judge, Bennett, you overturned the conviction of Umar Hasson Burely for what Wayne Earl Jenkins did to him to get him convicted, who plead guilty because, even, though he knew he was innocent, no jury would believe that this white cop framed him. I went to trial because I knew I was innocent and I faced the DEATH PENALTY (which I avoided by only 2 votes) and all because a vindictive prosecutor seeking conviction and not justice use a dirty cop and that he should have not been allowed to testify.

When I asked for appointment of counsel to prove my claim(s); you denied the request and the subsequent § 2255.

Now, as humble as I know; I am pleading to you, Judge, Bennett. You, now, know more about the corruption and deceit of Wayne Earl Jenkins. I am asking not just for my health / safety due to this COVID-19 virus; this is, also, for the well being of my grandmother. Judge, Bennett, she's attempting to navigate her survival, by herself, which is hard for a 90 year old woman with all the health issues she has to contend with.

So, Mr. Bennett, can you please grant me home confinement pending my appeal so that I can be there to help my grandmother. Helping my grandmother, now, in her hours of need, is my sole desire. She has been with me through this journey and I wish to be with her, for whatever time she has left on this earth.

Thank you in advance for your consideration(s). I've been as brief and as inclusive as possible to present matters that are certainly exceptional and extraordinary per extenuating circumstance(S) upon Case No. RDB-08-56 which are worthy of relief, being requested, here.

Respectfully,
